Welcome to the Pembroke College Circle, the society which brings together and welcomes friends of Pembroke all over the world into the life of the College. We hope that joining this new society will enable you to stay in regular contact with Pembroke, the wider College community, and with each other. In addition to receiving regular College news updates, you will enjoy the opportunity to attend special events both in Cambridge and overseas.

Serving as a bridge between Pembroke College and the Circle is the Board of Overseers, which provides guidance and ensures the Circle flourishes as an inspiring and desirable organisation. A list of the Overseers can be found on the Pembroke College Circle website. The Board is chaired by the Master of Pembroke.
